I am honored and delighted to accept this nomination for President Elect of SCAND for 2020-2021. I am very excited to continue increasing my involvement in SCAND and helping to contribute to our dietetics profession. Through my 5 years of volunteering with SCAND and my local district (Piedmont Dietetic Association) I have had the opportunity to network with a variety of professionals who have all impacted me in a positive way and helped me to grow. Through my service I have been able to grow in my leadership skills and strengthen my ability to communicate, organize and delegate tasks effectively. I am looking forward to a bright future for SCAND and am humbled to be able to be a part of it as President Elect for SCAND.
